PLEASE FOLLOW THESE GENERAL GUIDELINES FOR RESPONSIBLE EMTB RIDING:

On federal, state, county and local trails, eMTB access varies significantly. Generally speaking, any natural surface trail designated for both motorized and non-motorized use is open to eMTBs.

eMTBs may not be allowed on trails managed for non-motorized activities. Do not ride your eMTB in areas where the local rules are unclear. When in doubt, ask your local land manager about access, since local land rules change frequently.

PeopleForBikes and the Bicycle Product Suppliers Association are working to promote better access to eMTBs. It is critical that eMTB riders ride legally and only on authorized trails to show that mountain bikers are responsible users.

OVERVIEW:
The Hartman Rocks Big Loop is grand tour of an iconic Colorado trail system. Set in a unique landscape of granite rock formations scattered with beautiful cottonwood groves, this ride has plenty of challenging sections mixed with flowing singletrack. Occasionally, you’ll encounter some exposure, providing a thrilling sensation and spectacular views of the Gunnison Basin and the San Juan Mountains.

DIRECTIONS TO TRAILHEAD:
From downtown Gunnison (US Highway 50 and Colorado 135) drive west for 1.4 miles to W Airport Road. Turn left here, following some big bends in the road, and drive 1.1 miles to the Hartman Rocks trailhead and parking area. The ride begins on Lower Jack's Trail, just behind the restrooms.
